

YOUR PRIORITIES ARE MY PRIORITIES

- 1** I will work to get the best deal I can for the community on HS2, particularly to protect the local environment, to get a comprehensive package of compensation and to ensure that, during any construction work, the community is protected and your voice is heard.
- 2** I have worked tirelessly to get the best night flying policy in the UK at Birmingham Airport. I will continue to work to ensure that the people of Bickenhill face as little disruption as possible during the construction phase of the airport extension.
- 3** I have a long record of protecting the Green Belt and the environment and I will continue to challenge any development which I feel is not in our best interests.
- 4** I will continue to work to improve employment opportunities. I have dedicated much of my working life to education and training and am a strong voice for both.
- 5** I will work hard to address the ongoing problems of inconsiderate and inappropriate parking around the area of Bickenhill.

WORKING FOR YOU IN BICKENHILL ALL YEAR ROUND

Public Transport

Public Transport is a lifeline for many people and Jim is taking a keen interest in the many improvements being made to the public transport system serving our Borough. His special expertise has been invaluable in guiding decisions on the airport and HS2 issues.

Local Support

Offering support to local people has always been one of Jim's top priorities. Whether it be helping with a planning application, speeding and parking issues, airport noise levels or a pot-hole repair, Jim will always do his best to help.

Out and About

Jim likes to get out and about in the community, delivering newsletters and surveys and visiting local people on their doorstep. This helps to keep him up to date with the views of local people.

Protecting Local Villages

Defending and protecting our local villages and their way of life is paramount to Jim. He's fought off unwanted and inappropriate planning applications, particularly those that encroach on our Green Belt.

Health Services

Jim has always been a strong and eloquent defender of our local hospital and health services and will continue to campaign to protect and improve these services.

A Personal Message from Jim Ryan

Dear Resident

I am proud to be standing for re-election in the Bickenhill ward to represent you on Solihull Council and to continue the hard work I started 40 years ago this May, which also includes defending and protecting our hospital services.

I will continue to protect and defend residents of Bickenhill ward against unnecessary and over-intensive development.

I believe I bring honesty, integrity and courage to local politics with a well-earned reputation for hard work and commitment.

There are serious challenges facing us as a community. I firmly believe that with strong leadership and innovative policies of finding ways of providing educational skills and employment opportunities for local young people, we can build a better future together.

I will continue to work with the Police to stamp out anti-social behaviour and to make our community a safer place for everybody.

I pledge to work hard to negotiate protection for the local community from an expanded airport and to get the best deal I can on HS2.

Yours sincerely

Jim Ryan
