

# YOUR PRIORITIES ARE MY PRIORITIES

- 1** Working with all local stakeholders to preserve the unique identity of Knowle whilst accommodating sensible residential developments and retail opportunities.
- 2** Responding quickly to all inquiries for assistance on personal or neighbourhood issues such as potholes, planning applications, missed refuse collections, or other complaints and issues.
- 3** Working with our Neighbourhood officers and local Police officers to prevent incidents of nuisance parking, anti-social behaviour and speeding issues on certain roads.
- 4** Working with our local schools to ensure our young people have the best chance of a successful future.
- 5** Encouraging wider participation by residents in issues that directly affect them.

# WORKING FOR YOU IN KNOWLE ALL YEAR ROUND

## Potholes

Potholes continue to cause us a problem in and around Knowle & Chadwick End. Jeff regularly reports these to Solihull Council. Here Jeff is pictured measuring the depth of a pothole in Norton Green Lane, Knowle after being informed by residents of the danger.

## Bulb Planting

Jeff enjoys getting involved in social action projects in the Knowle community. Jeff is pictured helping to plant daffodil bulbs on green spaces along the Warwick Road in Knowle.

## Fly-Tipping

Jeff has arranged for unsightly rubbish dumped by fly-tippers to be removed from the streets in Knowle. Rubbish he has come across has included a mattress, fridge freezer and cabinets.

## Knowle Surgery

Jeff has helped to get "keep clear" gateway markings on Lodge Road outside Knowle Surgery. This was getting blocked by traffic waiting to pull onto the Warwick Road. The markings have helped with access to and from the surgery for patients, doctors and ambulances alike.

## Chadwick End

Traffic speeds through Chadwick End have been a constant problem; however, new 30mph speed visors that alert drivers, together with regular checks carried out by volunteer community speed watch operators, are helping to tackle this ongoing issue.

 Elections 5th May 2016**

## A Personal Message from Jeff Potts

Dear Resident  
 Representing Knowle and Chadwick End is a privilege and I am grateful that you have given me your support for the last ten years; however, I believe I must earn your vote.  
 Only by knowing your problems and concerns can I be a good and effective local councillor.

I have met many of you on the doorstep, and at Knowle Parish Church, and also as a member of local organisations. This contact has enabled me to represent our village and present your views in Council on many matters of individual and community concern, for example; by reporting residents' issues concerning the new housing estate at the end of Hertford Way.

I support the Neighbourhood Plan that is being developed by the Knowle, Bentley Heath and Dorridge Forum. This will help us influence any transport, leisure and housing proposals put forward for our area, to ensure they are suitable and meet our needs.

I have attended Chadwick End Parish Council and support their plans for the development of the village.

I hope I can count on your support on Thursday 5th May.

Yours sincerely

*Jeff Potts*
