

# YOUR PRIORITIES ARE MY PRIORITIES

- 1 SPENDING YOUR COUNCIL TAX WISELY:**  
I will work to ensure the provision of quality, value for money services whilst keeping the council tax in Solihull one of the lowest in the region. I know that this is your hard earned money that the Council is spending and will ensure it is spent wisely.
- 2 SAFER NEIGHBOURHOODS:**  
Residents continually tell me about off- road quad bikes, litter, graffiti and dog fouling on the footpaths. I will work with the Council and the Police to keep our streets safe and crime levels low and to improve public safety by tackling all types of anti-social behaviour.
- 3 IMPROVING ROAD SAFETY:**  
I will work hard to reduce the incidence of speeding vehicles and inconsiderate parking, which not only causes a nuisance by obstructing driveways, but often vehicles park on the footpath obstructing pedestrians, parents with pushchairs and wheelchair users. I will push for such parking to be made an offence.
- 4 PROTECTING THE ENVIRONMENT:**  
Lyndon residents all want their streets to be clean and tidy, and parks and green spaces well maintained at all times. I will ensure the Council takes swift action when issues are raised and will work with residents to keep Lyndon a pleasant place in which to live.
- 5 KEEPING YOU INFORMED:**  
I promise to always work hard for Lyndon residents and to keep you informed of issues affecting your neighbourhood. I will always listen to your views and ensure they are heard within the Council.

# WORKING FOR YOU IN LYNDON ALL YEAR ROUND

## Inconsiderate Parking

Paul will work to address this problem. Inconsiderate parking makes life difficult for residents, particularly those trying to exit their driveways. Parking on the footpath makes it difficult for pedestrians to get past and parking on grass verges can leave unsightly grooves which spoil the area.

## All Day Parking

Another issue with parking that residents continually raise is all day parking. Motorists are now parking in residential roads all day whilst they go to work. This makes it difficult for local residents to park near their homes during the day.

## Dog Fouling

Britain is a nation of dog lovers, but it makes Paul angry when coming across dog mess on our streets and in our parks. Paul will fight for more enforcement and action against offending dog owners.

## Speeding

Speeding in residential roads, particularly near schools is dangerous. Paul will work with Councillor Julie Hlland and the local Police to improve road safety.

## Neighbourhood Pride

Residents of Lyndon are proud of their neighbourhood and it is disconcerting to see the behaviour of a minority of people spoiling it, whether it be dropping litter, anti-social behaviour, car nuisance or graffiti, Paul promises to work hard to restore the neighbourhood when this happens.

# Elect Paul Thomas for Lyndon Ward Solihull Council Local Elections 5th May 2016

## A Personal Message from Paul Thomas

Dear Resident  
 Lyndon is a great place to live and work and I want to keep it that way. Thank you to the many residents who have shared their concerns with me. As a local campaigner in Lyndon, I have enjoyed working with Councillor Julie Hlland to get things put right. As your councillor, I know I could do a lot more for you.

I was born and bred in Solihull and educated at Lyndon School. I have worked in my family carpet business in Elmdon for over thirty years and consider myself to be a friendly, helpful and hardworking person. I now want to use the knowledge and experience I have of this area to put something back into the community that has been home and work to me for so many years. So whether it be sorting out a pothole, speeding traffic, or a local planning issue, I will tackle each and every issue to the best of my ability. As someone committed to public service, I will use my business skills and knowledge of the area to the benefit of the residents of Lyndon.

Please put your trust in me on Thursday 5th May. I will not let you down.

Yours sincerely

*Paul Thomas*
