

YOUR PRIORITIES ARE MY PRIORITIES

- 1 SPEEDING:**
Too many residents are having their lives blighted by inconsiderate drivers speeding down their streets. Speeding is dangerous and puts lives at risk. I am committed to working with Cllr Brian Holmes, local residents and the Police to reduce speeding on Shirley's roads.
- 2 POWERGEN:**
The planning application for the Powergen site has now been approved by Solihull Council. Plans involve the site being transformed to include an ExtraCare Village for the elderly, an Asda Petrol filling station and new homes and apartments. As your Councillor, I will monitor the development to ensure matters progress as quickly as possible.
- 3 SUPPORTING LOCAL RESIDENTS:**
A key role of a local councillor is to provide help and support to local residents. Many of you will have seen Cllr Brian Holmes in action - he responds quickly and leaves no stone unturned in ensuring the issue is resolved as satisfactorily as possible. I commit to offer you the same outstanding level of service and commitment.
- 4 VALUE FOR MONEY FOR RESIDENTS:**
Solihull Council has an excellent track record in using the council tax you pay effectively. I will work to ensure the provision of quality, value-for-money services whilst helping to keep council tax in Solihull one of the lowest in the region. As a chartered accountant, I will use my skills to help with budgeting and ensuring, above all, that residents receive value for money services.
- 5 KEEPING SHIRLEY CLEAN AND SAFE:**
As well as speeding, there are many other areas where diligence is needed to ensure Shirley remains clean and safe. Issues such as inconsiderate parking, dog fouling and anti-social behaviour need to be confronted early to prevent them from negatively impacting on our quality of life. I will work alongside Cllr Brian Holmes and the Police to do all I can to combat anything that threatens the cleanliness and safety of Shirley.

Elect David Price for Shirley West Ward Solihull Council Local Elections 5th May 2016

A Personal Message from David Price

Dear Resident

As a lifelong Silhillian, I am proud that Solihull under a Conservative Council has consistently been recognised as one of the nicest places in Britain to live – but there is no room for complacency, we will need to work hard to ensure that it remains so. If elected, I will work alongside Councillor Brian Holmes to make my own contribution and also to ensure that Shirley remains one of the best parts of the Borough in which to live and work.

I want to be your councillor so that I can put something back into the community. Over the past 6 years I have worked in the Borough and have many achievements – including taking action to combat speeding, supporting local communities faced with fly-tipping and addressing issues arising from building developments.

My career background is in finance. I am a chartered accountant and I will use my skills to help ensure that the Council Tax which you pay is spent wisely and that Solihull Council provides the best possible value for money services.

I ask for your vote on 5th May; I ask for the opportunity to work alongside Brian to serve you and represent you on Solihull Council.

Yours sincerely

David Price
